**【Notes】**

- When writing your name, include middle names if necessary. Follow the format appropriate for your language, e.g. First/Given Name(s) | Middle Name(s) | Last/Family Name(s) for European names, Last Name | First Name for Chinese and Japanese.
- Before submitting this notification, please carefully read the Student Handbook (for the Faculty of Letters and the Graduate School of Letters) and get the seal of approval from your supervisor.
- After submitting this notification, do not forget to enter your responses in the questionnaire system of KULASIS following the on-screen instructions.
- Please make sure that your latest postal address, mail address and telephone number are registered on KULASIS. If there have been changes, please make the respective modifications on KULASIS.
- After submission, if the decision was made that you will repeat a year for various reasons, or if there are changes in the content of your thesis, please inform the Student Affairs Section immediately.
- When submitting your Master's Thesis, include a "Declaration of Research Integrity" on the first page.
